<p>Heard (4) John (v.o.e)        X+D They were questioning        Barange you a short while        after ...        No 7 engaged        you to drive him        to Uitenhage ...        hay school fees        ... could be so        -- 26 Oct 1962 ...</p>	<p>Joseph Jack spoke --        what say? ... look after        things in car ...        look out things dangerous.        Raymond Mhlamba        also said so ...        (15 1/2) Why you say it ...        Tell you what you told        his leadership - on Friday ...</p>
<p>(8) I did see him --        How long after etc. (16)        How long after etc. (16)        saw him        again ... I don't        remember seeing him        again after taking        him to station ...        went to bout        chambers to fetch        goods -- Silas --        2 of us -- yes --</p>	<p>(16 1/2) No 7 said so &amp; not        mentioned Joseph Jack --        this is said to        Silas -- yes I have        forgotten -- talk about        Strachan got goods        from him ... said        gave goods a name --        bombs called -- <u>Francesby</u>        anybody got off -- some        body got off --</p>
<p>(10 1/4) Went to fetch        articles -- 3 cartons        -- who carried them --        -- Silas &amp; Govan        -- Govan 2 --        Govan will deny it        -- where did you        go to New Brighton        -- left 2 cartons        at Silas house --</p>	<p>(21 1/2) Went to Labour Dept --        Raymond spoke -- Silas        must work well ...        (22 1/2) Anything else said --        Bomb the Labour --        he spoke to Joseph Jack --        No 7 said these things        -- clear when you gave        evidence on Friday --        forgotten since then --</p>
<p>(14) Slow at King St --        men came back        -- what said        in car --</p>	<p>(55 1/4) When did you say you        saw Acc. No 7 again --        bout chambers -- in        morning -- yes in an        office --</p>
